QUALITY OF LIFE & Children and youth WELL-BEING with special health care needs enjoy full lives youth with special HEALTH health care needs enjoy ACCESS TO a full life and thrive in EQUITY SERVICES their community from and thrive in their childhood through communities from FINANCING OF childhood through SERVICES adulthood

### **EHDI Legislative Authority**

### **Specific Responsibilities of HRSA**

The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall make awards of grants or cooperative agreements to:

- Develop and monitor the efficacy of statewide programs and systems for hearing screening of newborns, infants, and young children;
- Prompt evaluation and diagnosis of children referred from screening programs;
- Appropriate educational, audiological, medical, and communication (or language acquisition) interventions (including family support), for children identified as deaf or hardof-hearing

Public Health Service Act, Title III, Section 399M (as added by P.L. 106-310, Sec. 702; as amended by P.L. 111-337 and P.L. 115-71)

### **EHDI's Impact**

98 percent of U.S.-born infants are now screened for hearing loss usually before leaving the hospital

Since 2005 over 84,000 D/HH infants in the U.S. have been identified early

\$200 million in education costs are saved each year in the U.S. due to newborn hearing screening

Center for Disease Control and Prevention. (2022). <u>CDC's Progress in Detecting Infant Hearing Loss [Fact sheet]</u>.
