Early Education Coordinator
Colorado School for the Deaf
and the Blind

Sonia Samaniego

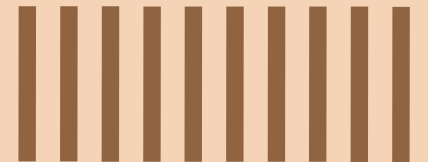

Early Education Service
Provider
F.A.C.E.S. of Arizona

Objectives

Participants will:

- Learn about the benefit of OAE trainings for professionals as part of EI Evaluations
- Understand the importance of the varying roles of the presenters in the training
- Consider and create a similar partnership in their state to support in person screenings

Getting Started

- Colorado's EI System
 - EI Programs vs EI Evaluation Entities
- Importance of our roles as presenters
 - Parent
 - Audiologist
 - EI Coordinator
 - Collaborative Partners
- Importance of this training
 - Emphasize Objective Measures of hearing during in-person Hearing Screenings

Content of Our Training

- The Parent Perspective
- Refresh our Knowledge (interactive game)
- Hearing Screenings Background & Education
- Hands-on-Training
- Wrap-up & Questions and Door Prize
 - Door Prize - book by our parent author reminding them “any age and any stage”

Hearing Screening Devices

Otodynamics

Otocheck
LE DP

“

Hearing Changes can happen at Any-Age and Any-Stage
