

Pre-Conference Individual Reflection and Planning

2009 Early Hearing Detection and Intervention Conference
March 9-10, 2009 * Addison, TX

Each year we strive to provide a conference agenda and format that fosters networking, collaboration, and information sharing. State Team Meetings will provide forums for discussion of priorities in your state. We encourage you to record your answers to the following questions and bring them with you to the State Team Meeting sessions at the 2009 Early Hearing Detection and Intervention (EHDI) Conference.

1. What do you think is the primary priority for EHDI in your state?
2. What are your personal goals in attending this conference?
