

Team Up at the EHDI Conference

With all of the great sessions and information shared, it's impossible for any one person to take in everything. In light of your State Team Meeting discussion and Pre-conference Individual Reflection and Planning form, we encourage you to take a few minutes to determine which sessions are most relevant to addressing your state's priorities. Please work together to ensure that at least one person from your team attends each *'most relevant'* session. This sheet has been provided to assist your team in making a plan so that your group doesn't miss out on vital information.

In addition, the *Session Notes and Application* form to record notes from each session you attend is located in the conference program book.
