

American Speech-Language-Hearing Association

Continuing Education Units (CEUs)

2023 Early Hearing Detection and Intervention (EHDI) Conference

March 5-8, 2023

ASHA CEU Application Instructions

- Complete the CEU Submission form (Qualtrics survey) and submit. The CEU form will automatically calculate the hours you attended. For your own records, calculate the number of total contact hours you attended and note it on this form.
- Complete online evaluations for each of the sessions that you attend. An overall conference evaluation is online and will be emailed to registrants after the conference.
 - Mark the ASHA box for each session evaluation you complete
- A final report of ASHA participants will be submitted to ASHA after March 20, 2023. NCHAM makes CEU submissions based on information submitted through the Qualtrics/CEU submission form.
- Comprehension of learning objectives for the 2023 EHDI Conference will be self-assessed and as a part of the online CEU form. All session learning objectives can be found under the detailed schedule at <https://ehdimeeting.org/Schedule.cfm>.

***For your own records, you may complete and print the info below. You do not need to submit this to NCHAM/EHDI Conference coordinators. NCHAM/EHDI Conference Coordinators only need a completed (Qualtrics) CEU form and completed evaluations.**
