

REFLECTION ~ PLANNING ~ ACTION PLANS

Each year we strive to provide a meeting agenda and format that fosters networking, collaboration, and information sharing. The **State Stakeholders' Meeting** will provide a forum for discussion of priorities in your state/territory. We encourage you to use this form to record your thoughts about how you will spend your time during the meeting including sessions you will attend and how you will use what you learn in the plenaries, breakouts and poster sessions to enhance your state/territory Ehdi System.

What are the <u>primary priorities</u> for Ehdi in your state/territory?
